

## Ironwood Gallery Exhibit Proposal

Thank you for your interest in the Ironwood Gallery exhibit space. The selection committee would be glad to review your CD of Sonoran Desert artwork for consideration.

***The mission of the Arizona-Sonora Desert Museum is to inspire people to live in harmony with the natural world by fostering love, appreciation and understanding of the Sonoran Desert.***

The Ironwood Gallery serves the mission of the Desert Museum by interpreting the Sonoran Desert through exhibits of original artwork that showcase the region's animals, plants and people. Exhibits can also include subjects indirectly related to these topics, but must have a relationship with our mission.

Some exhibit titles include: *Art and the Animal, Birds in Art, Blossom: Art of Flowers, A Closer Look at Cactus and Succulents, Raptors of Arizona and Fiesta Sonora by the Southern Arizona Watercolor Guild.* While the gallery selection committee does occasionally feature one-person exhibits; the broader mission is most often served through group exhibits.
