

The Sonoran Desert Animals

The Sonoran Desert is home to its animals. It gives them shelter, & also gives the mother animals somewhere to keep & raise her children. The Sonoran Desert provides food & water to the animals. The Sonoran Desert protects its animals & deserves to be protected itself. The Sonoran Desert also is kinda dangerous with all of the snakes & spiders, otherwise, its an amazing placed is so important to the animals.

The Sonoran Desert Animals

Tree Hensie

Name: Lisa C. Lopez.
