ARIZONA-SONORA DESERT MUSEUM PLANT CARE INFORMATION

Lady Margaret Passion Vine *Passiflora x*

DESCRIPTION: A unique hybrid between *Passiflora coccinea* and the deciduous *Passiflora incarnata*. This Passion vine is stunning with deep color and a prolific blooming habit. Large, luxuriant flowers have raspberry-red sepals and petals with bright white centers.

RECOMMENDED USE: A showy climber for fences and walls, or nice container specimen

CULTURE:

Hardiness: Protect base below 30°F.

Sun tolerance: Morning sun, dappled sunlight

Watering and feeding: Moderate, fertilize twice in growing season

Soil requirements: rich, well -drained soil

Pruning: As needed
